2	the rooms that you specifically worked in where you	2	A It does, yes. They know it better than I.
3	say the Bunsen burners were?	3	Q Well, that's fair enough. Let me ask you
4	A Well, one room they may have converted into	4	with respect to any of the time that you were at
5	offices, I believe, and one other laboratory I saw	5	Fordham, all of those jobs would have been of an
6	still was used as a laboratory.	6	academic teaching nature?
7	Q During the time that you worked there as	7	A That's correct.
8	the assistant professor, did the physical layout of	8	Q And not any lab work?
9	the Bunsen burners change in any way?	9	A No.
10	A No.	10	Q And do you allege any asbestos exposure
11	Q Were any added or removed during that time	11	during the time you were working at Fordham?
12	period?	12	A Not to my knowledge.
13	A To the best of my knowledge, no.	13	Q Was this the campus that was up in the
14	Q And what did you use the mittens for there?	14	Bronx?
15	A To handle hot glassware.	15	A No. It was the Lincoln Center Building.
16	Q Associated with the burners?	16	Q And you said you were also at NYU
17	A Associated with the burners and associated	17	A Yes.
18	with hot glassware from drying ovens.	18	Q — for a period of time teaching classes?
19	Q Are there any other ways that you believe	19	A Yes.
20	that you were exposed to asbestos from working at	20	Q The records we have indicate that you may
21	Mount Sinai as an assistant professor in this lab	21	have been there in 1979 and 1980 and then again in
22	besides those we have talked about?	22	1987; does that sound about right?
23	A Not to my knowledge, no.	23	A That sounds about correct, yes.
	Q During the time that you worked there, were you aware of any program of asbestos abatement or	24	Q With respect to all of those employments, were they all of an academic teaching nature?
123		23	
	Page 107		Page 109
1	Christian Holinka 163	1	Christian Holinka 165
2	removal of any products from the 20th floor?	2	A That's correct, yes.
3	A No, I was not.	3	Q Do you believe that you were exposed to
4	Q Or within the Annenberg Building itself.	4	asbestos in any way during any of your employments
5	A No, I was not.	5	with New York University?
6	Q Did the physical appearance of the pads	6	A Not to my knowledge.
7	from the last time you used them seem substantially similar to that when you first encountered them years	7 8	Q As long as we have this, let me just go
8 9		9	back a second and go over some other employers if I may. Do you remember working for a place called The
10	ago?  A They were substantially similar.	10	Continental House back in the 1950's? A real brief
111	Q Were there any physical differences that	11	employment.
1	you could note from the last time that you used them	12	A The Continental House, that was the
13		;	Commodore Hotel.
14	A No.	14	Q That is at least what you associate it
15	Q Why did you leave Mount Sinai?	15	-
16	A May I make an additional remark during that	16	A Yes.
	,	17	Q Do you remember working for someone called
17	period?	1 1	
17	period? O Yes, sir.	18	· · · · · · · · · · · · · · · · · · ·
17 18 19	Q Yes, sir.	l .	Charles Shaw in about 1959?  A No, I don't.
18	Q Yes, sir.	18	Charles Shaw in about 1959?
18 19	Q Yes, sir. A If it's relevant. I had for two years an	18 19	Charles Shaw in about 1959?  A No, I don't.  Q We have an address of Indianapolis,
18 19 20	Q Yes, sir. A If it's relevant. I had for two years an adjunct professorship at NYU entirely teaching and for	18 19 20	Charles Shaw in about 1959?  A No, I don't.  Q We have an address of Indianapolis,
18 19 20 21	Q Yes, sir. A If it's relevant. I had for two years an adjunct professorship at NYU entirely teaching and for one year at Fordham University entirely teaching.	18 19 20 21	Charles Shaw in about 1959?  A No, I don't.  Q We have an address of Indianapolis, Indiana.
18 19 20 21 22	Q Yes, sir. A If it's relevant. I had for two years an adjunct professorship at NYU entirely teaching and for one year at Fordham University entirely teaching. Q We have some records of your Social	18 19 20 21 22	Charles Shaw in about 1959?  A No, I don't.  Q We have an address of Indianapolis, Indiana.  A That's the year I got out of the Army, I

2	Q Did you ever work for the Board of	2	
3	Education for the City of New York in the late 1970's?	3	
4	A No.	4	Q Have you ever written any articles with
5	Q Or you do not remember it at least if you	5	respect to the subject of asbestos or any asbestos
6	did.	6	related illnesses or diseases?
7	A I would remember if I did.	7	A No.
8	Q Why did you leave Mount Sinai?	8	Q When you were at Mount Sinai, were you
9	A It was increasingly more difficult to	9	aware of any physicians there who had a specialty in
10	obtain grant support at the time and on the basis of	10	pneumonconioses or other breathing related illnesses?
11	my numerous publications in reproductive medicines, I	11	A I was not.
12	applied to the pharmaceutical industry.	12	Q Since your time at Mount Sinai, have you
13	Q When did you start publishing articles with	13	
14	respect to reproductive literature?	14	specialties?
15	A Well, in the broader sense reproductive	15	A Well, now I know or a few years ago
16	biology, my first publication at Berkeley, I think it appeared in 1969.	16   17	Dr. Selikoff, who is a major name or was a major name in the field, but there was no interaction.
18	Q And what did it appear in?	18	Q Was he there when you were there?
19	A Endocrinology. It's a professional	19	A I believe he was. I don't know when he
ł	journal.	20	retired.
21	Q Let's take the time period from that up	21	Q In any event your work there had nothing to
	until when you left Mount Sinai, approximately how	22	do with whatever work he was doing?
	many articles did you publish or have published?	23	A None.
24	A Well, original research, probably '55.	24	Q Or any work that was being done by his
25	Q Were they all generally associated with	25	assistants or adjunct or support staff.
	Page 111		Page 113
1	Christian Holinka 167	1	Christian Holinka 169
2	reproductive biology?	2	A No.
3	A They were all associated with reproductive	3	Q Who was your next employer after you left
4	biology ranging from hormone metabolism to	4	Mount Sinai then?
5	physiological changes in animals.	5	A Organon, Inc.
6	Q What types of journals or publications did	6	Q O-R-G-A-N-O-N?
7	these articles show up in?	7	A Yes.
8	A Professional journals, the Journal of	8	Q And how long did you work for Organon?
1	Steroid Biochemistry and Molecular Biology, Biology of	9	A 1989 to 1992.
ı	Reproduction. There was one or two more I don't	10	Q What did you do for them?
ı	remember at the moment.	11	A I started as a director in reproductive
12	Q Since your time at Mount Sinai, have you	12	medicine, hormonal replacement therapy and then was
ı	continued to publish original works?	13	
14	A (No verbal response given)	14	Q And this was, is it fair to say,
15	Q If you do not understand the question, I	15	pharmaceutical company that developed medications for
,	can try to rephrase it.  A I understand the question but I do not have	16	those types of things?  A Yes.
17	A I understand the question but I do not have a ready answer. The answer is basically yes.	18	Q Do you have any reason to believe that you
18 19	O Would those be articles that would be	19	were exposed to asbestos during the time that you
1	appearing in the same types of journals that you	20	worked with Organon?
ł.	mentioned?	21	A No, I do not.
22	A They were more medically related articles	22	Q You did not do any lab work at all of any
	or the latest publication came out two, three months	23	nature?
	ago.	24	A No.
25	Q What was that in?	25	Q What was your next employer after Organon?

4	Q	I'm sorry, backing up to Organon, where did	4		her additional incomes besides the salary that
5	•	ork out of for them?	5	-	ould have been earning from these companies?
6	Α	West Orange, New Jersey.	6	Á	No, I did not.
7	Q	When you worked for Johnson and Johnson,	7	Q	Did you have any self-employment outside of
8	-	was that?	8		ork that you were doing for these companies?
9	Α	Raritan, New Jersey.	9	Α	No, I did not.
10	Q	How long did you work for Johnson and	10	Q	Your Social Security records indicate
11	Johnso		11	self-en	nployment in 1992 and 1996.
12	Α	1992 to '96.	12	Á	Oh, yeah. May have been - 1996, that's
13	Q	What positions did you hold there for them?	13	right.	Okay, '92, at one point I started out of my
14	À	Assistant director in Endocrinology and	14		ent a small music book journal enterprise which
15	metabo		15		loss, so I don't consider it as any kind of
16	Q	And that was the only position?	16		ve employment. This is what they may refer to.
17	À	That was the only position.	17	0	We have an indication that you earned
18	0	Do you have any reason to believe that you	18	throug	h self-employment in 1992 almost \$70,000, coul
19	•	sposed to asbestos during the time that you	19	that be	
20		at Johnson and Johnson?	20	Α	No, that's, that's
21	A	No, I have no reason to believe that.	21	Q	accurate?
22	Q	What was your next employer?	22	À	That's not correct, no. And that was in
23	Ä	Kyowa Hakko Kogio.	23	1992.	•
24	Q	I have K-Y-O-W-A, right?	24	Q	Yes, sir.
25	À	Yes.	25	À	No.
		Page 115			Page 11
1		Christian Holinka 171	1		Christian Holinka 173
2	Q	Do you have any idea how to spell	2	Q	In 1996 after well, why did you leave
3	Ă	The rest? I should know. H-A-K-K-O and	3	Kyowa	
4		ord Kogio; K-O-G-I-O.	4	Å	No, in 1992, that is the end period at
5	Q	That's close enough if that's not right.	5	Organo	on and I wait a minute. It could be correct
6	-	How long did you work for Kyowa?	6		e my negotiations with Johnson and Johnson too
7	Α	Nine months.	7		nonths and head of Organon asked me to stay on
8	Q	What did you do for them?	8		nsultant,
9	Ă	Clinical research.	وا	Q	I see.
10	Q	Did you hold a position?	10	Ā	So, I stand corrected, it could be correct,
11	A	Director of pharmaceutical development.		yes.	
12		Do you believe that you were exposed to	12		So, though it would be technically, perhaps
	Q	os as there?	13		s of the IRS, self-employment it was consulting
13 14	ASDESIG	No, I don't.	1		or Organon in 1992?
14	_	During the time that you were employed	15	A	Yes. After I had formerly resigned.
	Q by	During the time that Jon were embreden	16	Q	And why did you leave Kyowa?
	by	I should say I don't believe so. I don't	17	Ā	Johnson and Johnson phoned me whether I
17	A know s	whether I was but I don't think so.	18		want to do full-time consulting for them, both
18	_	Nothing as you sit here today comes to you	19		tan and in Europe in their international
19	Q	/s maybe I was exposed through this?	20		n in Switzerland.
		In this case?	21	Q	Did that seem like an opportunity you
20	Α		1	-	I to take?
21	^	Vac in this case right here	1 11		I IO (AKE)
21 22	Q	Yes, in this case right here.	22		
21	Q A O	Yes, in this case right here.  I do not believe so, no.  Now, during the time that you worked for	23	A Q	Yes. And did you take it?

	Page 118		Page 120

Q On any of those consulting jobs that you have been on since 1996, do you have any reason to believe you were exposed to asbestos? A I have no reason to believe so. Q In 2005 do you have an understanding as to approximately how much money you earned through the consulting business?	5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	A About \$1,200 a month. And then I have a pension from Mount Sinai of \$71 a month.  Q Do you doing this consulting work have your own business or business entity that you refer to yourself as?  A I have a name, Farm Consult, for my firm.  I do not have any employees.  Q Is that incorporated?  A No.  Q Is it any sort of a formal business association or is it more like doing business as?  A I registered it in, I don't know, either the City or the County of New York. I believe the County of New York.  Q When did you register it?  A In 1996 or '97.  Q And is the operating address that you used
66 77 8 9 10 11 12 13 14 15 16 17 18	consulting for Pantarhei, I will spell that; P-A-N-T-A-R-H-E-I, Bioscience. It's a Dutch company. I have been consulting for Serrol. I have a feeling I'm missing something. Q This would be one of those times if it comes to you, would you tell us later? A Yes. I have been consulting for Ortho also but that's Johnson and Johnson. Q On any of those consulting jobs that you have been on since 1996, do you have any reason to believe you were exposed to asbestos? A I have no reason to believe so. Q In 2005 do you have an understanding as to approximately how much money you earned through the consulting business? A In 2005 I would guess about	5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	A About \$1,200 a month. And then I have a pension from Mount Sinai of \$71 a month.  Q Do you doing this consulting work have your own business or business entity that you refer to yourself as?  A I have a name, Farm Consult, for my firm.  I do not have any employees.  Q Is that incorporated?  A No.  Q Is it any sort of a formal business association or is it more like doing business as?  A I registered it in, I don't know, either the City or the County of New York. I believe the County of New York.  Q When did you register it?  A In 1996 or '97.  Q And is the operating address that you used on the registration where you live?
66 77 88 99 100 111 122 133 144 15 166 177 188 199 200	consulting for Pantarhei, I will spell that; P-A-N-T-A-R-H-E-I, Bioscience. It's a Dutch company. I have been consulting for Serrol. DARCHE: Yes.  A No, I have not been involved.  Q When was the first time that you became aware that asbestos could cause adverse health conditions?  A Ten years ago, an estimate.  Q How did you come to learn that?  A Through the press, television, popular
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	already discussed today?  A No, there are not.  Q Have you told us the names of all of the companies that you believe may have some involvement with respect to the products that you believe caused you asbestos exposure?  A To my knowledge, yes, I have told you.  Q Do you have any product catalogs from any of the years that you were working either at Sinai or any of the other places where you were going to school?  A Do I currently have those?  Q Yes.  A No, I don't.  Q Do you know anybody who has any of these catalogs besides and excluding any that might be in your attorney's possession?  A No, I don't.  Q When you were taking classes in the various educations that you have gone through, was the subject	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	Endocrinology.  Q Were you ever involved in any litigation brought against any of the pharmaceutical companies that you worked for, either as a defendant or as a witness for the companies?  MR. DARCHE: I am just going to object to that question.  MR. SCHAFFER: What is the basis?  MR. DARCHE: Relevance. I am trying to think if it was asked at the last deposition whether you have ever been deposed before.  MR. SCHAFFER: My question is a little bit different.  THE WITNESS: May I answer?  MR. DARCHE: Yes.  A No, I have not been involved.  Q When was the first time that you became aware that asbestos could cause adverse health conditions?  A Ten years ago, an estimate.  Q How did you come to learn that?  A Through the press, television, popular

Page 146	Page 14
1 Christian Holinka 202	1 Christian Holinka 204
2 when they were first seen?	2 A No.
3 A I believe he said the largest was 1	3 Q Is Dr. Grossban or Dr. Grossbard?
4 centimeter.	4 A Gross.
5 Q Do you have an understanding as to the size	5 Q Grossbard or Grossband, does that name ring
6 of the lesions now after the chemotherapy treatments?	6 any bells?
7 A He said it's been reduced in size.	7 A I think it may have been the name of the
B Q Did he give you any idea of the size of the	8 oncologist at Roosevelt but I don't recall his name.
9 reduction?	9 Q And have you had any other
10 A No.	10 A Yeah, I think another physician briefly
11 Q Have you had to have fluid drained since	11 examined me in the oncology department at Roosevel
12 the initial draining of 2.7 liters?	12 Q And outside of the names you have mentioned
13 A No.	13 and the names I have mentioned, are there any other
14 Q Have you experienced shortness of breath	14 doctors that you can recall having treated with since,
15 since the pleura fluid was drained?	15 say, summer of 2006?
16 A No.	16 A No.
17 Q Do you take any over-the-counter	Q Did any of the doctors report to you as to
18 medications for any pain currently that you associate	18 what they believe the cause of the bipolar
19 with this illness as opposed to headaches?	19 mesothelioma was?
20 A Currently, no.	20 A Well, Dr. Taub certainly pointed out the 21 association between asbestos and the illness.
21 Q Did you take any medications with respect	
22 to the surgeries that you had to have for the	22 Q Did Dr 23 A With Connory I do not think we discussed
23 implanting of the ports or anything like that?	24 causeology.
24 A Some pain medicine. 25 O And when would have been the last time that	25 Q Did Dr. Taub ask you questions as to
25 Q And when would have been the last time that Page 147	Page 14
1 Christian Holinka 203	1 Christian Holinka 205
2 you took any of that?	2 whether you thought that you were exposed to asbesto
3 A I just took it for two days after the	3 in any way?
4 operation.	4 MR_ DARCHE: I am just going to object.
5 Q You say that you are currently on furlough,	5 But you can answer.
6 your word, do you have an understanding as to when	6 A Yes, he did. And I told him about my
your next currently scheduled medical appointment is	7 association.
8 with anybody in association with your diagnosis?	8 Q Has anybody given you a prognosis?
9 A There is an interim CAT scan to be	9 A No.
10 scheduled in early March, I don't know the exact date	10 Q Have you done any independent research
11 yet.	11 yourself with respect to either the causes of
12 Q Have you seen any other doctors in	12 mesothelioma or potential treatments?
13 association with your diagnosis of bipolar	13 A You might not believe it but the answer is
14 mesothelioma?	14 absolutely no. Psychologically it is too difficult.
15 A No.	15 Q Has anybody done any research on your
16 O There was an indication I think in some	16 behalf or at your behest?
17 records that I did have a chance to look at of a	17 A No.
18 Dr. Fischer, who is that?	18 Q Did you ever have to care for anyone that
19 A Dr. Fischer is an old friend of mine from	19 was diagnosed with cancer?
20 my undergraduate days, he's a professor of medicine at	20 A No.
21 Stanford University. And Dr. Fischer, he came to New	21 Q Have you ever been diagnosed with any other
22 York and actually accompanied me to both Connory and	22 type of cancer?
23 Dr. Taub.	23 A No.
24 Q But Dr. Fischer is not involved in your	Q Besides, I believe, you said the follow-up
25 treatment regimen at all?	25 CAT scan, do you have any other future medical

Page 150	Page 152
1 Christian Holinka 206	1 Christian Holinka 208
2 appointments or treatments that you are aware of?	2 A I took for a brief period, I took Lipitor
3 A In early May at the end of my three months	3 medication and then I discontinued.
4 presumably Dr. Taub will see me. I'll find out in	4 Q When was that approximately?
5 early March.	5 A Approximately three, four years ago.
6 MR. DARCHE: Why don't we take a little	6 Q How tall are you?
7 break.	7 A 5'11".
8 (Whereupon, at 2:35 P.M., a short recess	8 Q How much do you currently weigh?
9 was taken)	9 A 143.
10 (Back on the record at 2:45 P.M.)	10 Q Thinking back to 2005, what was your
Q Sir, I just have a couple of other	11 average adult weight?
12 additional questions for you and then I am going to	12 A About 15 pounds more. About 162, 20 pounds
13 pass the questioning.	13 more.
MR. DARCHE: Your last question was still	14 Q Do you belong to any civic or religious
on the table, I think.	15 organizations?
MR. SCHAFFER: Could you read back the last	16 A No.
17 question, please.	17 Q Do you have any hobbies or what do you like
18 (Whereupon, at this time, the requested	18 to do in your spare time?
19 portion was read back by the reporter)	19 A Read, listen to music, do science.
20 Q Anything else?	20 Q How large is the living space that you
21 A I would like to add this, that I have an	21 currently reside in?
22 appointment with Dr. Moline at Mount Sinai.	22 A 700 square feet.
23 Q An appointment for Dr. Moline to?	23 Q Do you need to have anybody come in to do
24 A To examine me.	24 any cleaning of those premises or do you do it
25 Q To examine you.	25 yourself?
Page 151	Page 15
or 1 1 17 11 1 207	1 Christian Holinka 209
	2 A No, I do it myself.
2 A Yes. 3 O When is that scheduled for?	3 Q Have you been able to do that since your
	4 diagnosis last year?
4 A Tomorrow. 5 Q Have you ever been examined by Dr. Moline	5 A Well, not during the operations and less so
· ·	6 now because I do have some pain in my right chest.
6 before?	7 Q Do you have any out-of-pocket expenses
7 A No. 8 Q Did Dr. Taub refer you to Dr. Moline?	8 associated with any of the medical treatments or
	9 procedures that you have undergone since mid-2006?
C . C	10 A Yes.
10 Q Are you aware of any of your doctors	11 Q And can you give me a best estimate as to
11 referring you to Dr. Moline?	12 how much you are out of pocket, what you have not been
12 A No, I am not. 13 Q Have you ever been diagnosed with diabetes?	13 covered for?
	14 A At this time about \$500, \$700.
14 A No.	15 Q And have you incurred any other
15 Q Have you ever been diagnosed with any heart	16 out-of-pocket expenses associated with any chores or
16 problems?	17 other responsibilities that you might have?
<ul> <li>17 A No.</li> <li>18 Q Have you ever been diagnosed with high</li> </ul>	18 A No. Occasionally a taxi to Columbia.
	19 MR. SCHAFFER: All right, sir, I am going
19 cholesterol?	20 to pass the questioning right now to one of my
20 A Moderately high cholesterol. Could I add	21 colleagues here. I want to thank you very much
21 to that?	22 for your time and for your patience.
22 Q Yes, sir.	23 THE WITNESS: Thank you.
A That went away, diet control and exercise.	24 CROSS-EXAMINATION
24 Q Did you ever have to take any medications	25 BY MR. ABERNETHY:
25 in relation to that?	

	Page 158		Page 160
1	Christian Holinka 214	1	Christian Holinka 216
2	companies. They're really catalogs, that's an	2	Mount Sinai who got those things from the companies,
3	understatement, they're like books, 600, 800 pages,	3	you do not know the person's name?
4	whatever, with the names of those companies in the	4	A My technician may have gotten some but I do
5	back of the books clearly visible.	5	not recall the details.
6	Secondly, for my specific research I	6	Q Can you tell me from your own knowledge
7	actually ordered, may have ordered things from those	7	
8	companies. If you needed a small or a minor flask or	8	burner pads to Mount Sinai, which specific companies?
9	something specifically related to your own research.	9	A I would not know a specific company.
10	Q You started by saying "ordered" and then	10	Q Can you tell me which specific companies
11	you said "may have ordered," which is it? Do you have	11	among those four, if any, sold mittens to Mount Sinai?
12	an actual recollection of specific companies that you	12	(All defendants object)
13	ordered from for your research at Mount Sinai?	13	A No, I could not.
14	A I did order from certainly any one or	14	Q Did you ever talk to any of the people who
15	several of those companies, I could not tell you at	15	ordered supplies at Mount Sinai about which specific
16	this time which one and what I ordered.	16	companies they ordered specific items from?
17	Q And you said for your specific research.	17	A No, I didn't.
18	When you ordered for your specific research, were you	18	Q Did you ever see any documents at Mount
19	ordering general lab supplies or unusual things that	19	Sinai that indicated what company's particular items
20	were just needed for your work?	20	had been ordered from?
21	MR. DARCHE: I am going to just object to	21	A To the best of my knowledge, yes, ordering
22	the terminology of "unusual."	22	forms that specified VWR, Fisher Scientific.
23	MR. ABERNETHY: Let me rephrase the	23	Q Let me ask you about that. When you say
24	question.	24	ordering forms, do you mean the blank forms that were
25	Q When you yourself went to would you ask	25	used to place an order or a form that had already been

	Page 178		Page 180
1	Christian Holinka 234	1	Christian Holinka 236
2	A I filled out some questionnaires related to	2	of the autoclaves that you worked with in the Army?
3	Mr. Darche's questions.	3	A I don't.
4	Q Is it your understanding that your lawyers	4	Q Can you describe the physical appearance of
5	served on the other parties to this case written	5	any of the autoclaves you worked with in the Army?
6	answers to specific questions including questions	6	A Yeah. It's typically a large round tube
7	about your asbestos exposures, do you have an	7	about - stainless steel on the outside, about 4 feet,
8	understanding about that?	8	5 feet long, about 3 feet in diameter that has a door
9	A No, I don't have any direct understanding.	وا	with this circular handle to close tight and then you
10	Q I will represent to you that it is my	10	push a few buttons to let the steam and the heat in.
11	understanding that answers to written interrogatories	11	Q Did you work with more than one autoclave
12	were served on your behalf in this litigation and one	12	while you were in the Army?
13	of the answers to the written interrogatories makes	13	A I don't recall exactly but I don't believe
14	reference to potential exposure to asbestos in	14	SO.
15	connection with a product called an autoclave. Do you	15	Q And am I correct you do not know who made
16	recall answering any question indicating that you were	16	or sold that autoclave, the one that you remember?
17	exposed to asbestos from a product called an	17	A You are correct, I don't remember.
18	autoclave?	18	O And as you sit here today you do not
19	MR. DARCHE: Objection. The	19	remember whether it contained any asbestos or not?
20	interrogatories that you are referring to were	20	A That's correct, I don't know.
21	not verified by this witness, so it is my	21	Q What did you do with an autoclave or
22	position that you are not really confronting him	22	autoclaves at Mount Sinai?
23	with something that he has verified.	23	A Sterilize cell cultures, culture dishes and
24	MR. ABERNETHY: Well, forget the		media.
25	verification, let me just ask a simpler question.	25	O Was it one device that you worked with
23		23	
1	Page 179		Page 181
1	Christian Holinka 235	1	Christian Holinka 237
2	Q Do you believe that you were exposed to	2	there or more than one?
3	asbestos at any location from a product called an	3	A One device.
4	autoclave?	4	Q Can you describe what it looked like?
5	A I'm not sure. Initially I thought maybe	5	A Comparable to my earlier description. You
	but I'm not even sure if it contains, an autoclave		A A A A A A A A A A A A A A A A A A A
6	Dat I ill not over bare is it contained, an automic	6	want me to repeat it?
6 7	contains asbestos.	7	Q You do not have to repeat the earlier
1			Q You do not have to repeat the earlier description but do you remember what color it was?
7	contains asbestos.	7	Q You do not have to repeat the earlier description but do you remember what color it was?  A Also stainless steel.
